WAC 296-17A-0217

Classification 0217.

0217-00 Concrete flatwork - Construction and/or repair: N.O.C.

Applies to contractors engaged in the construction and/or repair of concrete flatwork not covered by another classification (N.O.C.) such as, but not limited to, walkways, pathways, fences, and curbing. Work in this classification includes the set-up and tear down of forms, placement of reinforcing steel and wire mesh, and the pouring and finishing of concrete.

This classification excludes land clearing and excavation which is to be reported separately in classification 0101; concrete work performed on or in connection with highway, street, or roadway projects including sidewalks, curbs, gutters, median or retaining walls, sawing, drilling, or cutting operations which is to be reported separately in classification 0214; concrete work contained within a concrete, masonry, iron or steel frame building or structure such as the foundation, floor slabs, precast or poured in place bearing floors or wall panels, columns, pillars, metal erection or any other portion of the building or structure itself which is to be reported separately in classification 0518; and the installation of preformed concrete or stone pavers which is to be reported separately in classification 0302.

0217-01 Concrete foundation and flatwork construction and repair: Wood structural buildings

Applies to contractors engaged in the construction and/or repair of concrete foundation and flatwork for wood structural buildings not to exceed three stories in height. This classification includes the set-up and tear down of forms, placement of reinforcing steel and wire mesh, pouring, and finishing of concrete footings, stem walls, floor pads, cellar or basement floors, garage floors, swimming pools and ponds. This includes incidental concrete work such as walkways or driveways when performed by a foundation contractor.

This classification excludes land clearing and excavation which is to be reported separately in classification 0101; concrete work performed on or in connection with highway, street, or roadway projects including sidewalks, curbs, gutters, median or retaining walls, sawing, drilling, or cutting operations as part of the roadway which is to be reported separately in classification 0214; concrete landscape curbing which is included in classification 0301-08; concrete work contained within a concrete, masonry, iron or steel frame building or structure such as the foundation, floor slabs, precast or poured in place bearing floors or wall panels, columns, pillars, metal erection or any other portion of the building or structure itself which is to be reported separately in classification 0518; and the installation of preformed concrete or stone pavers which is to be reported separately in classification 0302.

0217-02 Concrete sawing, drilling and cutting, N.O.C.

Applies to contractors engaged in concrete sawing, drilling and cutting not covered by another classification (N.O.C.), including repairs. Work contemplated by this classification includes concrete sawing, drilling and cutting operations in connection with wood frame and nonwood frame buildings or structures, including flatwork, which may or may not be part of the building structure, such as, but not limited to, foundations, walkways, driveways, patios and swimming pools which may or may not be part of the building or structure. Activities include, but are not limited to, the sawing, cutting and drilling for ventilation boxes in the footings or stem walls, cutting out for windows or door ways, preparing to mount brackets for stairways or interior bearing walls, cutting interior walls as part of a building renovation project, cutting out for electrical and switch boxes, and repairing defective areas.

This classification excludes concrete sawing, drilling, and cutting operations performed on or in connection with highway, street, or roadway projects including sidewalks, curbs, gutters, median or retaining walls as part of roadways which are to be reported separately in classification 0214; bridge construction which is to be reported separately in classification 0201; and new dam construction which is to be reported separately in classification 0701.
