

ADMX Update EVOG

(For a new request, use the ADMX Request Template)

ADMX Update: Assigned VRC please send the unit VSS an EVOG designated as “ADMX Update” at the top of the EVOG page. ADMX Updates are necessary to provide the Department with updates on ADMX progress. Submit the ADMX Updates by the date specified in the prior ADMX EVOG.

ADMX Update template:

- 1) State prior proactive action plan from ADMX EVOG.
- 2) Indicate what actions were taken and services provided to resolve above listed action plan including any stakeholder engagement/enhanced services (or RTW guidance you have provided to worker).
- 3) Specify the continued services and actions you will proactively take to address the current barriers preventing RTW (outline vocational, medical, worker motivation, employer involvement or other issues) with anticipated dates for each item.
- 4) Include the following as the last line of the request: I will submit ADMX Update EVOG or closing report by _____ (provide specific date).
