

## Vocational Technical Stakeholders Group

**January 22, 2019**

**Tukwila, Conference Room 1**

**10:00 am – 1:15 pm**

### OUR PURPOSE

To maintain ongoing collaboration between L&I and vocational rehabilitation providers who work with the State's workers' compensation program.

Roles and responsibilities are to:

- Give feedback on proposals related to current and emerging issues.
- Serve as a professional resource on vocational rehabilitation issues to help inform L&I's policy and program decision-making.
