

## ADMX Update EVOG

January 23, 2017

(For a new request use the ADMX Request Template)

ADMX Update: Please send the unit VSS an EVOG designated as "ADMX Update" at the top of the EVOG page. ADMX Updates are necessary to provide the Department with updates on ADMX progress. ADMX Updates must be submitted by the date specified in the prior ADMX EVOG.

ADMX Update template:

- 1) State prior proactive action plan from ADMX EVOG.
- 2) Indicate what actions were taken to resolve above listed action plan including any enhanced services (or RTW guidance you have provided to worker) and those you will be continuing to provide as the case progresses.
- 3) Specify the current barriers preventing RTW (outline vocational, medical, worker motivation, or other issues).
- 4) Provide a new proactive action plan with specific dates for each item.
- 5) Include the following as the last line of the request:

I will submit ADMX Update EVOG or closing report by \_\_\_\_\_ (provide specific date).
