

WASHINGTON STATE LOGGER SAFETY INITIATIVE

Keeping Washington loggers safe.

August 12, 2014

Safety Alert Search OSHA data online

Did you know that OSHA enforcement data is online? This includes Washington State DOSH enforcement inspections. You can search this data by name of company or using the industry code for logging (SIC 2411). The enforcement inspection data can be accessed at this link. <https://www.osha.gov/pls/imis/establishment.html>.

Note: Consultations provided by Washington DOSH are confidential. The DOSH consultations provided as part of the Washington State Logging Safety Initiative are confidential.
