

# Worn out or damaged cab step?

**Slipping and falling from truck cab steps is a leading cause of injury for drivers.**

## **Hazard**

**This diamond plate truck step is worn-out.**

## **Solution**

**Replace with original equipment from your dealer or an after-market step overlay.**

***When replacing or repairing step treads, look for:***

- Durable materials
- Slip resistant design
- Easy to clean

***Repair that worn out step before someone gets hurt.***
