CONSTRUCTION CAREER DAYS

October 12-13, 2016

8 a.m. - 2 p.m.

Spokane County Fair Grounds

WE BUILD AMERICA. WHAT WILL YOU BUILD?

The men and women in the construction industry built this country from the ground up - learn how you can become a part of that legacy.

Construction Career Days is an industry sponsored event for high school students to introduce them to the various career opportunities available in the construction industry. Students will have the opportunity to try hands-on projects and operate heavy equipment and machinery, as well as meet with industry representatives from the trades and higher education.
