Reason(s):

Kristi Giles replied to an e-mail that I had sent inquiring about Granite Northwest's interest in pursuing their Apprenticeship Program that was started with Committee Approval on 1/16/09. She responded back that, "Granite is now a union contractor and thus, our apprentice needs are met through our various unions that we are signatory too (sic)". Ms. Giles was sent the Request for Cancellation of New Apprenticeship Committee form to complete and never responded back.
