Everett, Wa. 98203
Attn.: Ray Egelhoff, Chairman

Dear Mr. Egelhoff:

I am the Apprenticeship Consultant representing your Apprenticeship Program with Labor & Industries. I am reaching out to you to see what the status is of your Apprenticeship Program, Northwest Outside Telecommunications Joint Apprenticeship and Training Committee?

I have researched your program and found that the program has a "Pending" status with Labor & Industries. It appears that you have received a Committee Approval for the program as of 7/19/1996, with the last amendment to the Committee being on 4/18/2003. It does not appear that you have reached the point where Program Standards were developed and approved by the Washington State Apprenticeship and Training Council.

I have attached a Request for Cancellation of New Apprenticeship Committee form for you to complete if you do not wish to pursue finalizing your apprenticeship program. Completing and returning this form to me will assist me in cancelling the Committee you had formed as of 7/19/1996. If you are interested in finalizing your Apprenticeship program by developing Program Standards, I would be happy to assist you with that. Should you wish to go this route, I can be contacted at (360) 416-3081, or via e-mail at tutk235@lni.wa.gov.

Do not hesitate to contact me if you have any questions or concerns regarding the information herein. Your time and attention to this matter are greatly appreciated.

Sincerely,

Karla Tuttle
