REQUEST FOR CANCELLATION OF PROGRAM

TO: Washington State Apprenticeship & Training Council

From: Avista Corporation 488

Maintenance Lineman

(NAME OF PROGRAM)

Check Type of Standards being requested to be cancelled:

Committee Plant OJT

Number of Registered Apprentices or Trainees: 20

Reason(s):

Avista Corporation requests the cancellation of its Maintenance Lineman apprenticeship program.

Avista operates in four states and maintains eleven apprenticeship programs registered with the U.S. Department of Labor. Consolidating the Maintenance Lineman apprenticeship under the standards filed with the U.S. DOL Office of Apprenticeship will allow the company to achieve more consistency and greater efficiency in the administration of the programs. Current apprentices registered with Washington State Labor & Industries will be transferred to the federal program with full credit received for progress attained through on-the-job training and related supplemental instruction.

Avista wishes to thank the Washington State Department of Labor & Industries for its guidance and support over the last 23 years in helping the company develop the highest quality apprenticeship program for lineworkers.
