Three late returns will result in *immediate* cancellation of borrowing privileges. You must return videos by traceable carrier. Also, please return phone call messages from us within two business days.

“Only You”

Videos are checked out only to you. Don't loan them out. All transactions must be made through the Safety & Health Video Library.

You can borrow up to five videos for 1 week.

Six Month Feature

You can schedule videos up to six months in advance.

Advance Notice

Please give us one week notice before you want to show videos. The videos will arrive 1-2 business days before your show date.

The Fine Print

If you or your shipper loses or damages a video or DVD *you* are responsible for their full replacement cost. When shipping by UPS or Fed Ex or some other commercial shippers your package is automatically insured for \$100. You may want to purchase full coverage.

Be aware that the average cost of each VHS or DVD is \$500.

If you choose to use the US POSTAL SERVICE, you may send by Media Mail with Delivery Confirmation. Purchasing insurance is recommended, but not required. Please use the PO BOX address:

Department of Labor & Industries,
Safety & Health Video Library
PO Box 44607
Olympia, WA 98504-4607.

Many employees of state agencies borrow videos from the Safety & Health Video Library. They, too, must use a traceable shipper to return videos.

You will be charged for items not returned.

Please be sure to rewind all videos, and to place each one *correctly* in its proper case. Videos can be easily damaged by being forced into cases backwards or upside-down.

Protect videos from inclement weather during shipment.

We require you to **reserve videos at least one week prior to your show date** to allow time for shipping to any city out of the greater Olympia area.

Thurston County residents must pick up and return videos in person. Allow at least two days for scheduling and one day for pick-up.
