

TEST LOG FOR PERIODIC INSPECTIONS & TESTS FOR TRACTION ELEVATORS

Dept. of Labor & Industries
 Elevator Section
 PO Box 44480
 Olympia, WA 98504-4480

ASME A17.1 requires periodic tests on various types of elevator equipment. Owner is responsible for all required tests. Some tests may not be applicable; mark them in the appropriate column with "N/A". Safety test tags are still to be affixed to the appropriate equipment as required by code. A test log is required for each elevator.
Enter test dates (mm/dd) and name of company performing test in the appropriate test column in the year tested.

State ID #

Operating Permit Date

*Equipment test tags required to be on equipment
