(Implements RCW 34.05.360)

- Other (specify) July 1, 2015 (If less than 31 days after filing, a specific finding under RCW 34.05.380(3) is required and should be stated below)

- Yes
 - No
- If Yes, explain:

Purpose:

- Amend language to reflect 2011 agreement negotiated with the industry that allows professional and semi-professional sports teams to report coaches in Classification 6706 (athletic teams, equipment, premises) in the off season.
- Repeal classification 7102 (NFL teams) because no employer has reported in 7102 for years.
- Amend language to include distinctions for classifying spas and eliminate the need for the current internal advisement.
- Amend language to consolidating reforestation industry subclassifications with very low reporting to reduce the administrative burden on employers and department staff. The reporting in these subclassifications is too minimal for gathering data and comparing hazards.
- Amend language to clarify the verbiage in classifications describing farming operations to make them easier for customers and staff to understand and apply.
