## **Welcome and Introductions**

### **DOSH Update –**

- Alan Lundeen and Jeff Killip
- Comments received at the hazardous drug rule public hearing. We haven't received any comments on the rule at this time.
- Future meeting dates for the Hazardous Drug Advisory committee.
  - Charter to be modified to reflect annual meetings at a minimum.
  - There USP 800 enforcement. This group could be a place to talk about these things. July 1, 2018 it is enforceable.
  - All meeting to be posted and sent to the listserv 6-8 weeks
  - 3 week reminder to have the agenda.
  - Website link to topics.
  - Rule violations on website.
  - Committee will review and then approve or make changes before it is sent to the listserv.
  - Next meeting on October 5
  - Issues come up midyear then there should be a way to propose a meeting.

### **Grants for safety SHIP grants**

There is a clause about the ventilation. We need to have a study to review ventilation. We need to have an unbiased source.

### **Roundtable discussion**

### **Recap and Action items**

Update the Charter.
