

Agriculture Industry Safety and Health Inspections

Washington performs more agriculture industry inspections and consultations than nearly any other state in the nation including checks to make sure employers are following coronavirus prevention requirements.

JAN. 1, 2020 — OCT. 31, 2020

Free workplace health and safety consultation: www.Lni.wa.gov/SafetyConsultants.
Employee complaints: www.Lni.wa.gov/go/F418-052-000 or 1-800-423-7233.
