

WISHA 10 for Agriculture Workers — Class Host Application

L&I Division of Occupational Safety & Health (DOSH) offers this training designed for workers to help increase their knowledge of safety and health.

10 Hours of Specialized Training at No Cost:

- Suitable for agricultural workers.
- Available in English and Spanish.
- Classes are held over two days – for a total of 10 hours class time (plus breaks and lunches).
- Participants receive a *WISHA 10 for Agriculture certification card* and *Certificate of Completion*.
- Instruction includes presentations, videos, handouts, and interactive exercises.

Learn to Avoid the “Top 5” Agricultural Hazards:

1. Struck by machinery or an object.
2. Falls from heights.
3. Caught in or between moving objects.
4. Pesticide exposure.
5. Improper use or lack of personal protective equipment (PPE).

Benefits:

Safer workplaces, less incidents/accidents. The training promotes a culture of safety and health through peer training. DOSH-authorized trainers are typically people who have done hands-on work. Training is intended and expected to be participatory. Trainers are able to tailor the training topics based on specific needs of their audience.
