# Application to Access L&I's Electronic Permit Inspection System (EPIS)

Email: [EPISAppsRequest@Lni.wa.gov](mailto:EPISAppsRequest@Lni.wa.gov)

Complete this form to request access to Labor and Industries online permit services.

- Online access to the Electronic Permit and Inspection System "EPIS"
  - And the option of using Contractor Deposit account (CD).
- Please complete this application and submit to the address as shown above.
- **Please Note: The primary user will have the ability to authorize others to have access to EPIS.**

Upon acceptance of the application, the person listed as the primary user will receive an email advising how to complete the process for signing up for secured access to the Electronic Permit and Inspection System (EPIS).

The contractor request access to L&I's Electronic Permit and Inspection System (EPIS) for:

- Electronic data relevant to the contractor's electrical and
- Manufactured home alteration permits and inspections.

This access includes the **optional** use of the Contractor Deposit accounts (CD) which are established for businesses that are licensed by the Department:

- As electrical contractors or registered construction contractors and
- Are legally required to purchase electrical work or manufactured home alternation permits from the department.

The CD account allows the business to:

- Deposit money with the department (in the office or by mail only)
- And request electronic transfers **from** this account for:
  - The purchase of electrical permits.
  - Manufactured home alternation permits.
  - Other departmental business.

**This account is subject to all legal attachments.**

Please allow seven to ten days for processing.
