

ALTERATION POLYBUTYLENE RE-PIPE PRE-INSPECTION CHECKLIST

This checklist is designed to be generic in content and may not include all requirements for your particular installation. The manufacturer's installation instruction must be adhered to and available to the inspector at the time of the inspection. Be sure you can answer YES to all of the questions before calling for inspection. Failure of the inspection will require a reinspection fee to be paid.

REFERENCE

		<u>COMPLIANCE</u>
		Yes No
WAC 296-150M-0309	Alteration Permit and insignia purchased	<input type="checkbox"/> <input type="checkbox"/>
RCW 18.27.200	Verification of Contractors Registration	<input type="checkbox"/> <input type="checkbox"/>
