RE: Conveyance Management Portal newsletter #21

Dear elevator industry business, property owner or manager, and other interested parties, You're invited to a demonstration of some key capabilities in the new Conveyance Management Portal (CMP, or Portal) on May 21. You can also take action now, such as encouraging friends to sign up for this newsletter, to get ready for the Portal launch in October. See details below!

CMP Demonstration on May 21

Join us May 21 at a meeting of the [Elevator Safety Advisory Committee](#) (ESAC). The formal meeting starts at 9 a.m. with a Portal presentation tentatively set for 10 a.m., but could occur earlier. An informal discussion will start the event at 8 a.m. Here's how to take part:

[Click here to join the meeting](#), or call in (audio only):

- [+1 253-372-2181,,152505975#](#)
- Phone Conference ID: 152 505 975#
- [Find a local number](#) | [Reset PIN](#)

The ESAC membership includes representatives from various parts of the elevator industry, including owner-employed mechanics, registered general contractors, and building owners and managers. Ricky Henderson, of TKElevator, is ESAC chair.

Project status

The Portal is about 40 percent of the way through initial testing. The project remains on schedule for an October launch. You can expect testing and training opportunities starting as early as this summer.

What you can do

Please help spread the word about this new system. It easily will allow you to purchase permits, review inspections, and complete other tasks in as secure Portal.

We're asking you to forward this newsletter to your industry friends to help raise awareness about the Portal. Please encourage them to:

- [Join the Elevator Program's email list](#) (where they can receive project updates, and scheduled testing and training opportunities).
- Visit www.Lni.wa.gov/CMP (where they can find a project fact sheet, and FAQ, along with links to upcoming meetings).

If you have questions about the new system, please contact the Elevator Program, at 360-902-6130 or ElevatorSect@Lni.wa.gov.
