The [Washington State Department of Labor & Industries](#) (L&I) will hold a public hearing on the proposed amendments to the elevator fees. The purpose of the hearing is to receive public comment on the proposed amendments.

L&I is proposing a 5.79% fee increase to support operating expenses for inspections of conveyances and other elevator program public safety activities. This is the Office of Financial Management's maximum allowable fiscal growth factor rate for fiscal year 2022.

The proposed increase would affect fees listed in [chapter 296-96 Washington Administrative Code \(WAC\)](#), including licensing, permits, and plan approvals.

You can review the proposed rules [here](#) or by clicking on the program's "[Rule Development](#)" page.
