REQUEST FOR CANCELLATION OF PROGRAM

3/3/23 - EH
Teri Gardner 3-3-23
L&I apprenticeship coordinator

TO: Washington State Apprenticeship & Training Council From:

ACTIV- Accelerated Career Training and Innovation - 2170

(NAME OF PROGRAM)

Check Type of Standards being requested to be cancelled:

Committee Plant OJT

Number of Registered Apprentices or Trainees: 0

Reason(s):

I started ACTiV to help build employment in South Sound for CodeSmart and the intention was to have additional companies participate. thus we recruited a couple more companies into ACTiV.

Since then, I retired in 2020 and the expectation with the company that bought me out of CodeSmart was that they will continue ACTiV. They actually laid out plans for me of how they would expand it and grow the program.

Recently, they assigned a person to take over the program and run it...thus I would transfer the program over to his care. However, he has been non-responsive to me or to Evan Hamilton for orientation, training and guidance.

I currently spend a lot of time out of state and find it hard to maintain the program considering my current travels and my lesser involvement in the companies associated with ACTiV.

Thank you for your consideration in this matter,

Mark W. Meyer
