There are currently 22 colleges with 179 active apprenticeship programs. During the winter quarter only 19 colleges had actual enrollment in their active programs. The headcount for apprentices in the winter quarter of 2021 was 7,064 (winter of 2012 was 9,237), representing a decrease of 23.52% from 2020. In a comparison of the FTES for winter quarter 2021 to winter quarter 2020, the data shows a decrease of 20.99% in FTES. This marks the sixth quarter that there has not been a growth in apprenticeship enrollments, following twenty-six consecutive quarters of growth. To put the current numbers in perspective, winter enrollment is slightly above our spring enrollment in 2017 (7,021).
