Provided to Injured Workers and Crime Victims

Update – Chapter 25: Vocational Services

Basic Skill Enhancement Training

Effective October 1, 2025

This update applies to *Chapter 25: Vocational Services*. All requirements and details in Chapter 25 still apply. The chapter is amended as follows:

Payment Policy: Basic skill enhancement training

General information

As of October 1, 2025, basic skill enhancement funding, in addition to the current list of covered services, may now cover the following:

- Basic computer literacy, *or*
- Courses that build or maintains job readiness for gainful employment.

Equipment, technology, software, or tutoring needed to effectively participate may be covered by the insurer.

See [RCW 51.32.095](#) for further details.

Who must perform these services to qualify for payment

The following providers may be paid for services if they have an active L&I provider account:

- Schools,
- Training programs,
- Vendors for equipment.
