Agency: Department of Labor & Industries (L&I)

Subject of possible rule making: Contractor Registration Rules. WAC 296-200A-900, What fees does the department charge contractors for issuance, renewal, reregistration, and reinstatement of certificates of registration?.

Statutes authorizing the agency to adopt rules on this subject: Chapter 18.27 RCW

Reasons why rules on this subject may be needed and what they might accomplish: The purpose of this rulemaking is to consider amendments to the Contractor Registration fees under WAC 296-200A-900. The changes under consideration would increase fees by the fiscal growth factor to cover operating expenses for L&I's Contractor Registration Program. The current fee levels are insufficient to cover current Program expenses. The fee increase is necessary to ensure that revenues match expenditures.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: None.

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study
