The Department of Labor & Industries' (L&I) prepares a semi-annual rules development agenda in January and July each year to inform the public of expected upcoming rule changes. Pursuant to RCW 34.05.314, the agenda is filed with the Office of the Code Reviser for publication in the Washington State Register. This report details current and anticipated rulemaking activities for L&I. This agenda is for informational purposes and the noted dates of anticipated rulemaking actions are estimates. There may be additional rulemaking activities not anticipated at this time, such as to implement new state laws, meet federal requirements, or other circumstances.

L&I encourages the public to be involved in the rulemaking processes by attending public hearings and submitting comments regarding rules. Rulemaking information is available on the agency website at <https://www.lni.wa.gov/rulemaking-activity/>.
