

Join the 12th Annual National Safety **STAND-DOWN**

TO PREVENT FALLS IN CONSTRUCTION

MAY 5–9, 2025

Safety Pays. Falls Cost.

This year, L&I is once again partnering with OSHA in the National Safety Stand-Down to prevent falls in construction.

The Safety Stand-Down is an opportunity for you to take time out to talk to your employees about fall hazards on the job and fall prevention. We encourage you to participate.

Some topics could include:

- ▶ Ladder Safety
- ▶ Equipment Inspection
- ▶ Identifying Fall Hazards

Types of Stand-Down events could be:

- ▶ A short tool-box talk
- ▶ Refresher safety/equipment training
- ▶ Reviewing company safety policies

**You decide
what type of Stand-Down
works best for your business.**

FY25-388 [02-2025]

Find out more about the Stand-Down, including resources and training materials at: www.Lni.wa.gov/StopFalls.
