Supplemental Monthly Reporting

LSI employers are required to submit [monthly supplemental reports](#) for manual logging hours, even if reporting zero hours.

Supplemental reports do not take the place of L&I quarterly reports; employers are required to complete and submit quarterly reports in addition to the monthly supplemental reports. The supplemental reports are a requirement for the voluntary LSI program but not a reporting requirement of the department.

Submit reports monthly by mail, [email](#), or fax to 360-902-6787.

6. Please submit your application either via email to loggersafety@lni.wa.gov, by fax to (360) 902-6787 or via mail at Attn: Logger Safety Initiative Department. P.O. Box 44140 Olympia, WA. 98504-4140. Call (360) 902-5607 if you have any other questions.

Employers that report in the mechanical logging classifications 5005-00 and/or 5005-01 also are required to submit a mechanized logging supplemental quarterly report. There are no changes to the mechanized supplemental reporting requirements.

Employers participating in the LSI Employer Logger Safety Program will be eligible for a proposed rate reduction of up to 20 percent. The premium discount is applied to the base rate before your experience factor is applied. Employers receive new rate notices reflecting changes to the rate on their account. Employers will sign a LSI Memorandum of Participation at each new tier, which has specific detailed requirements that must be met to qualify for the premium discount.

Tier Level & Rate Incentive	How it Works
Tier 1: Sign-up & Reporting Requirements (5% discount)	Employer agrees to the following criteria: <ul style="list-style-type: none"> • Complete registration and commitment letter. • Submit monthly LSI manual logging supplemental reports regarding employee hours and job duties. • Implement the Employer Logging Safety Program (LSI Accident Prevention Program (APP) and training). • Schedule L&I DOSH Comprehensive consultation.
Tier 2: Premium & Safety Consultation (additional 5% discount; total 10% with combined Tier 1 & Tier 2)	LSI employer demonstrates the following: <ul style="list-style-type: none"> • Completed the L&I DOSH comprehensive consultation and correct all finding(s). • Schedule an L&I Premium Technical Audit. • Monthly supplemental reports (including zero hour reports) submitted since initial sign-up.
Tier 3: Completed Requirements (additional 10% discount; total 20% with combined Tier 1, Tier 2 and Tier 3 discounts)	<ul style="list-style-type: none"> • Completed the L&I Premium Technical Audit and L&I workers compensation account is in good standing. • <i>Once your company becomes Tier-3, your company will need to meet annual Tier-3 requirements.</i>

7. Please submit your application either via email to loggersafety@lni.wa.gov, by fax to (360) 902-6787 or via mail at Attn: Logger Safety Initiative Department. P.O. Box 44140 Olympia, WA. 98504-4140. Call (360) 902-5607 if you have any other questions.

Logger Safety Initiative Safety Training Requirements

LSI program participants are required to fulfill two training requirements annually, which include:

- A total of 4-hours of approved formal safety training sessions; and
- At a minimum, conduct four LSI quarterly safety trainings with supervisor(s) and crewmembers. All provided training material can be found on the LSI Training webpage.

This document outlines what the training requirements are and how LSI participants can meet them.

Formal Training Sessions

A minimum of 4-hours of formal training, specific to the LSI program or logging and cutting safety is required in each calendar year. For LSI purposes, formal training is a course, program, seminar, conference, or convention. Credit is provided for safety related content only, for example, when you attend an 8-hour class and 2-hours are related to safety, you will receive two safety credit hours.

Employers are required to submit documentation to the LSI Program Office to show proof that they have fulfilled their training requirement. For each training attended, the employer must submit the following information: a description of the training, the training provider, and date attended.

Examples of approved formal training include:

- WCLA Safety Conference
- L&I Governor's Safety and Health Conference
- Master Logger's Safety Training
- L&I Safety Training Workshop
- LSI Landowner Safety Day or Trainings
- Oregon Governor's Conference
- Western Pulp, Paper, & Forest Products Safety and Health Conference
- Intermountain Logging Conference
- Pacific Logging Congress
- Associated Oregon Loggers Annual Statewide Safety Conference
- Other training as approved by the LSI Program Office

8. Please submit your application either via email to loggersafety@lni.wa.gov, by fax to (360) 902-6787 or via mail at Attn: Logger Safety Initiative Department. P.O. Box 44140 Olympia, WA. 98504-4140. Call (360) 902-5607 if you have any other questions.

Safety training (Four trainings per calendar year) If the employer develops their own training material or wants to use training materials not found on the LSI Training webpage they must prior authorization from the LSI Program Office to receive credit. The employer and supervisor, if delegated, and all employees engaged in manual logging operations must receive at least four (4) of the LSI safety trainings. Training can be conducted by any of the employees or an outside person and can be done as part of regular safety meetings.

LSI participants will complete and document that the training took place as part of their safety minutes. The completion of training will be assessed at the annual comprehensive DOSH consultation.

NOTE: The [LSI Training website](#) contains a repository of pre-approved training material that is available for your company to use.
