

STATE OF WASHINGTON
DEPARTMENT OF LABOR AND INDUSTRIES

P.O. Box 44000 • Olympia, Washington 98504-4000

November 14, 2023

John L. Adams
Business Manager and Secretary-Treasurer
Laborers' Local 252
4803 S. M Street
Tacoma, WA. 98408

Dear Mr. Adams:

I am pleased to appoint you as our newest Labor Co-chair of the Construction Advisory Committee. You are appointed to a two-year term ending November 30, 2025. As you may know, the Construction Advisory Committee (CAC) was originally formed in 1986 as a forum for labor, business, and L&I to discuss solutions to a notable increase in fatalities from falls in Washington's construction industry. The Construction Advisory Committee is composed of business and labor representatives as well as members from the Department of Labor of Industries. The committee promotes safer and more productive worksites for Washington's contractors and their employees. Your willingness to participate is appreciated.

On behalf of the Construction Advisory Committee, I welcome you and look forward to working with you.

Sincerely,

Craig Blackwood
L&I Deputy Assistant Director
Division of Occupational Safety and Health
