Tim Carter, CIH

Welcome

Alan Lundeen, DOSH Manager, Standards, Technical & Lab Services

Phil Peters, DOSH Lab Manager Lab Services – monitoring for lead in the workplace

We should be able to bring the level down to 1 but it will be tough.

Comments from audience: Big concern is sampling will be difficult at low levels.

Alan Lundeen DOSH Jurisdiction

Who is covered by the WISH Act Washington Industrial Safety and Health - Act?

Who is not covered?

What rules grant authority over public safety?

Summary

Kevin Walder, DOSH Standards Rulemaking

What are our next steps for rulemaking?

April 20, 2016 tentative CR – 101 filing.

The CR – 102 cannot be filed before 6/22/2016

The minimum this rule could take is 8 months. This is a stakeholder process and your input is welcome.

Alan Lundeen Action items/closing

Next meeting 6/10/16 in Tukwila 9 a.m. to Noon
