

Transportation Network Company (TNC)

Notice of Driver Rights under the Washington State Minimum Wage Act

This notice is intended to inform Washington State TNC drivers of their rights under [RCW 49.46.300](#). As a driver, your transportation network company must distribute the Notice of Driver Rights via smartphone application or online web portal, in at least the following languages: English, Spanish, Chinese, Vietnamese, Russian, and Korean.

Minimum Compensation Rates

Beginning January 1, 2023, as a driver, your TNC must pay you at least at the rates described in the following table for each trip or portion of a trip.

2023 Minimum driver rates For each dispatched trip	Trips starting inside Seattle and ending anywhere, the greater of:	Trips starting outside Seattle, and ending outside Seattle, the greater of:	Trips starting outside Seattle, and ending inside Seattle, the greater of:	
			The combination of:	
Per passenger platform minute for all passenger platform time for that trip	\$0.64	\$0.37	\$0.64 applied to the portion of passenger platform time that occurs inside Seattle	\$0.37 applied to the portion of passenger platform time that occurs outside Seattle
Plus	Plus	Plus	Plus	Plus
Per passenger platform mile for all passenger platform miles driven on that trip	\$1.50	\$1.27	\$1.50 applied to the portion of passenger platform mileage that occurs inside Seattle	\$1.27 applied to the portion of passenger platform mileage that occurs outside Seattle
Or	Or	Or	Or	
Minimum per dispatched trip	\$5.62	\$3.26	\$5.62	

Note: The Seattle rates also apply to any other city in Washington with a population that exceeds 600,000. As of December 2022, Seattle is the only city in Washington with a population that exceeds the 600,000 population threshold set in the law used to apply higher trip rates.

Shared Rides

The greater of the per-trip minimums apply to the entirety of the shared ride if any portion of the shared ride occurs in Seattle.

Tips

Tips paid to a driver are in addition to, and may not count towards, the driver's minimum compensation rate requirements. All tips must be paid within your established pay periods, upon payment from the passenger. Your TNC cannot deduct from your tips, unless required by law or expressly authorized under voluntary deduction provisions.

Electronic Receipts and Weekly Notices

Within 24 hours of each dispatched trip, the TNC must provide you with an electronic receipt, available in a downloadable comma-separated values file or searchable PDF format containing a table with rows for each unique trip or portion of the trip and columns for each itemized element contained in the trip receipt for each trip or portion of a trip. The electronic receipt must itemize the following information for each trip or portion of a trip:

- Total amount of passenger platform time
- Total mileage driven during passenger platform time
- Applicable rates such as: the rate(s) per minute, rate(s) per mile, percentage of passenger fare, and any applicable price multipliers or variable pricing policy in effect including variable rates based on geographic location
- Any tip compensation paid by the passenger within 24 hours of the dispatched trip
- Gross payment
- Net payment after deductions, fees, tolls, surcharges, lease fees, or other charges
- Itemized deductions or fees, including any tolls, surcharges, commissions, lease fees, and other charges
- The applicable date and time frame for each trip and each portion of a trip
- The passenger pick-up and passenger drop-off locations for each trip and each portion of a trip as described by the street, city, and state in which the passenger pick-up and passenger drop-off occurred (unless the passenger is a minor).

At least once a week, a TNC must provide the driver with a written notice, available in a downloadable comma-separated values file that includes the following information for each trip or portion of a trip occurring in the prior week:

- Total passenger platform time
- Total mileage driven during passenger platform time
- Total tip compensation received from passengers within the prior week, itemized by the date of each dispatched trip or portion of a dispatched trip
- Gross payment itemized by: rate(s) per minute; rate(s) per mile; and any other method used to calculate pay
- Net payment after deductions, fees, tolls, surcharges, lease fees, or other charges
- An itemization of deductions or fees, including all tolls, surcharges, commissions, lease fees, and other charges, from the total passenger platform time performed within the past 365 calendar days.

Payment Periods

A TNC must establish regularly scheduled payment periods to occur at least bi-weekly. A TNC must pay you any amounts owed for compensation, tips, and reimbursements no later than 10 calendar days after the end of the pay period.

Voluntary deductions

Except as required by law, a TNC may only deduct compensation when you expressly authorize the deduction in writing and do so in advance, and for a lawful purpose. Voluntary deductions may reduce your per trip earnings below the minimum compensation requirements set forth in chapter 49.46 RCW and associated rules.

No deductions for loss or breakage

A TNC cannot deduct the cost of damage to or loss of transportation network company equipment, software, intellectual property, or other tangible or intangible property from your compensation.

Paid Sick Time

Beginning January 1, 2023, as a TNC driver you will begin to accrue at least one hour of earned paid sick time for every 40 hours of passenger platform time worked. You may use accrued earned paid sick time upon recording 90 hours of passenger platform time on the TNC's driver platform.

You must be allowed to use accrued days of earned paid sick time in increments of at least four or more hours.

For each hour of earned paid sick time used, you must be paid at the rate of your average hourly compensation.

Paid sick time can be used for the following reasons:

- An absence resulting from the driver's mental or physical illness, injury, or health condition; to accommodate the driver's need for medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or a driver's need for preventive medical care
- To allow the driver to provide care for a family member with a mental or physical illness, injury, or health condition; care for a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or care for a family member who needs preventive medical care
- When the driver's child's school or place of care has been closed by order of a public official for any health-related reason
- For absences for which an employee would be entitled to Domestic Violence Leave under RCW 49.76.030
- During a deactivation, unless the deactivation or status is due to a verified allegation of sexual assault or physical assault perpetrated by the driver.

You must receive your requested paid sick time payment no later than 14 calendar days after the request or by the next regularly scheduled date of compensation.

A TNC must allow you to request and use your paid sick time in a system available in any language that represents at least 2% of their driver community. The system must be available to you via smartphone application and online web portal.

A TNC must allow you to carry over unused paid sick time of up to 40 hours to the next calendar year. If you carry over unused earned paid sick time to the following year, accrual of earned paid sick time in the subsequent year must be in addition to the hours accrued in the previous year and carried over.

You are entitled to use earned paid sick time if you have used the TNC platform as a driver within the 90 calendar days before your request.

A TNC may not take any action against you that adversely affects your use of the transportation network due to your exercise of any your Minimum Wage Act rights, including your Paid Sick Time rights.

Retaliation Prohibited

A TNC cannot retaliate against you for the exercise of any of your Minimum Wage Act rights, including:

- Exercising your rights to minimum compensation, tips, and paid sick time
- Filing an action or complaint with the Department of Labor & Industries
- Utilizing the Driver Resource Center

A TNC cannot take an adverse action against you, such as deactivating your account, restricting your account access, altering your rates of pay, or denying you alternate compensation rate tier opportunities because you exercised your rights under chapter 49.46.

A TNC cannot have any policy that counts the authorized use of paid sick time as an absence that may lead to or result in any account deactivation or other adverse action against you.

Filing a Complaint

As a driver, you have the right to file a complaint with the Department of Labor & Industries (L&I) if your transportation network company violates requirements of RCW 49.46 or associated rules regarding:

- Compensation
- Paid Sick Time
- Tips
- Retaliation

You can file a Driver Rights Complaint with L&I:

- Online: lni.wa.gov/tncdrivers
- Mail: Driver Rights Complaint form
- Visit your nearest [L&I office location](#)

Driver Resource Center

The statewide Driver Resource Center operates to assist drivers with deactivation appeals processes and other benefits offered for drivers. Drivers with deactivation questions or concerns should contact the Driver Resource Center.
